

Why

Join the Junior League of San Joaquin County?

Our Mission

The Junior League of San Joaquin County is an organization of women committed to promoting volunteerism, developing the potential of women, and to improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

Our invitation

One of 293 leagues in the Association of Junior Leagues International (www.ajli.org), Junior League of San Joaquin County reaches out to women ages 21 and over of all races, religions and national origins who demonstrate an interest in and commitment to volunteerism.

Did you know?

Since 1927 our members, under our previously-recognized name Junior Aid of Stockton, have raised and given more than \$2 million dollars to our community in the form of grants to local agencies that support women and children.

Our members' age range spans seven decades, including women in their 20s to their 80s.

The Junior League is filled with extraordinary and famous women, from national and state elected officials to the first woman appointed to the Supreme Court, and numerous first ladies of the United States. The Junior League is a special and unique organization comprised of multitudes of women in 293 leagues across the country and around the world. The collective power and influence of this group of women, coming together to build better communities, is phenomenal.

Won't you join us?

Junior League of San Joaquin County wants you to become a trained volunteer, improve the community, meet new friends, and most importantly, help us complete our community involvement and impact goals of improving literacy in San Joaquin County.

Community Service

Have you ever wanted to improve the quality of the lives around you? Would you like to inspire learning, leadership, and volunteerism through schools, family, and community? For more than 80 years, our organization has been recognized as a powerful force for change and committed to assisting the needs of the community.

Lasting Friendships

Whether you are new to Stockton, Lodi, Tracy, Manteca, and the surrounding area, or have lived here for years, the Junior League of San Joaquin County is where you can meet other motivated women who want to make a difference in their community — women who share your passion for giving back to the community. Members benefit from working side by side with other women committed to volunteerism. Strong bonds of friendship develop when working on a Junior League project, participating in a training program, putting on a fundraiser, or attending a social event.

Training and Leadership Opportunities

Do you want to enhance your personal and professional life? Do you want to develop your public relations, strategic planning, or public speaking skills? Facilitate engaging meeting? Learn leadership or improve your management skills? Do you have an idea for improving your community or want to learn how to use your voice for community action and involvement?

If anything, the events in our world today have shown the importance of finding and using our voice, of speaking out, to expect change and to take the lead in a responsible and professional manner. Junior League's training programs, committee work and leadership positions encourage responsible and thoughtful risk taking. A large number of our volunteers go on to become leaders of businesses and other organizations throughout the community.

You are a valuable asset to the growth and improvement of our community. Why not join the
